

N-type monocrystalline high-efficiency
bifacial double glass module

up to 22.5%.

Mechanical Parameters

Cell type	N-type Monocrystalline solar cells
Number of half cell	108 (6×18)
Dimensions	1722×1134×30mm
Weight	20.5kg
Front Glass	1.6mm anti-reflective coating glass
Back Glass	1.6mm Heat-strengthened glass
	Anodized aluminum alloy
